

# 5109

## WEATHERPROOF

- Survives rugged weather on the job
- Floats for easy recovery

## BRIGHT

- Large reflector provides better illumination

## DURABLE

- Shatterproof lens
- Polyethylene case resists damage from dropping or abuse

## AMERICAN MADE

- Great for contracts requiring "Buy American"

A great choice for wet areas and outdoor work, the 5109 is weatherproof and floats for easy recovery from water. It stays where you put it and its large reflector makes it a terrific area light.

A shatterproof lens and a rugged polyethylene case help this light stand up to rough conditions. In addition, it is made in the USA.

**Before Using Your Flashlight:**  
Please read all instructions and cautionary markings on the package and light

## Product Detail:

|                         |  |
|-------------------------|--|
| <b>Designation:</b>     | Eveready Flashlight<br>Utility Lantern   |
| <b>Model:</b>           | 5109                                     |
| <b>Color:</b>           | Red, Blue, Green or Yellow               |
| <b>Power Source:</b>    | 6V Alkaline Spring Terminal Battery      |
| <b>ANSI/NEDA:</b>       | 908AC Series                             |
| <b>Lamp:</b>            | PR-13                                    |
| <b>Lamp Rating:</b>     | 4.75V, 0.5A                              |
| <b>Lamp Life:</b>       | 15 Hours                                 |
| <b>Lamp Output:</b>     | 28.5 Lumens                              |
| <b>Typical Weight:</b>  | 220 grams (7.7 oz.)<br>(without battery) |
| <b>Dimensions (in):</b> | 7.21 x 4.61 x 3.90                       |
